6 **VIDEO TRANSCRIPT**

7 51:50 GOODMAN: It is the same kind of thing guys as using Crowd Strike to discredit ..
 8 umm .you know . CrowdSource The Truth or .. or getting someone like
 9 Manual Chavez to put out videos where he is threatening my life, or he is
 10 showing my home or .. you know .. cyber harassing me for months and
 11 months. They are trying to .. you know .. lure me into taking some kind of
 12 legal action against him like suing him .. which I could. But, he is a loser
 and he has got no assets and suing him would be a waste of time, suing
 people to try and get money is not what I am interested in doing.

13 54:08 GOODMAN: What do they do? They Crowd Strike you. And they use guys like this ..
 14 and .. and they use guys like Chavez [Manual Chaves, III] and they use
 15 guys like Robert David Steele and we see it happening. I am not revealing
 16 anything that isn't obvious. Manual Chavez has it, right there in his own
 LINKEDIN, he tells you that he is working for Crowd Strike [fade in
 graphic].

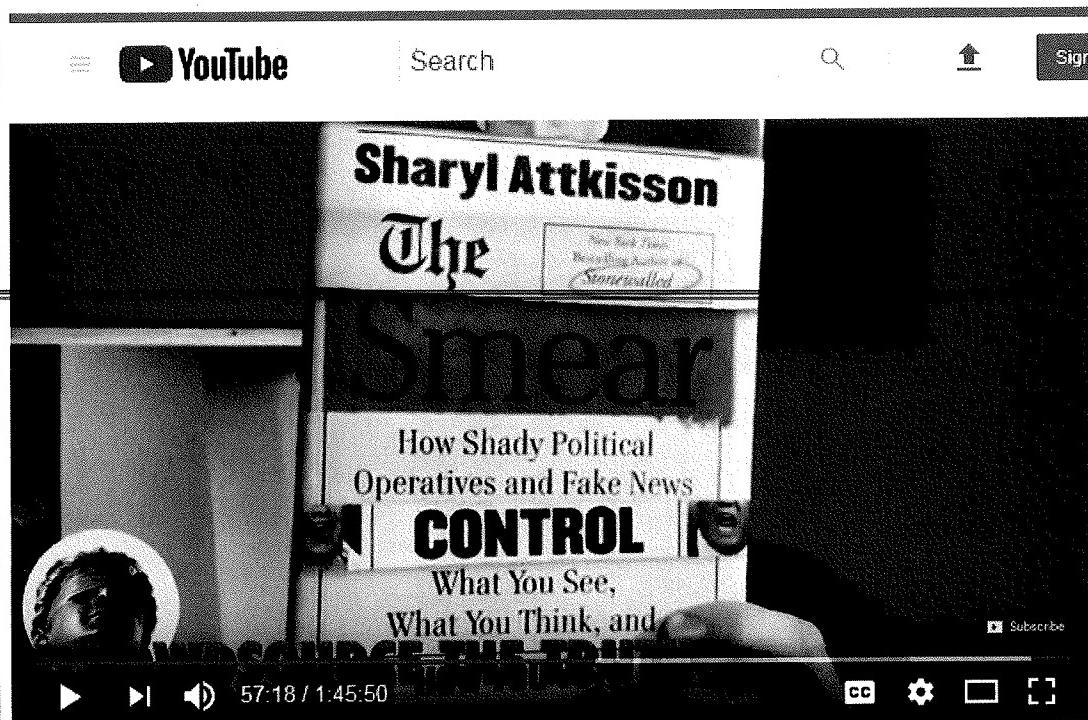

1 54:29 NAPOLI: Yeah, and by the way Jason I was able to confirm from a reliable, a very
2 reliable source, that .. um .. this Chavez guy is .. uh.. quote Crypto
3 Currency Expert.

4 54:46 GOODMAN: I think when he put up this you know Crowd Strike thing on his
5 LINKEDIN and he said something like, ‘oh, I guess its official now’ he is
6 doing it as a joke.

7
8 54:38 GOODMAN: When I say he is an idiot [Chavez] I am talking about the fact that .. look
9 at what he is engaged in .. he is lying. And what is going to happen, is
10 when that is proven, and when his criminal activities like harassment and
11 all that, I allege that these are crimes and I am going to try and get
evidence to prove that somebody got text messages off my computer .. that
was stolen. And he received stolen property .. and put it up on a broadcast.

12 56:36 GOODMAN: There are people out there that are convinced that the lies that these idiots
13 like Manual Chavez are putting out there are true. You go out and say so
14 and so is a pedophile there a certain number of people that are just going
to believe that, in the absence of evidence. My challenge to them is to
15 present evidence or shut up and go away.

16 57:04 GOODMAN: We verified from a reliable third party that in fact Manuel Chavez does
17 work for Crowd Strike – something that he has scoffed at in the past. And
what that means. He is a shady political operative. [fade to book graphic,

New York Times Bestseller

Ever wonder how politics turned into a take-no-prisoners blood sport? The New York Times bestselling author of Stonewalled pulls back the curtain on the shady world of opposition research and reveals the dirty tricks those in power use to influence your opinions.

Behind most major political stories in the modern era, there is an agenda, an effort by opposition researchers, spin doctors, and outside interests to destroy an idea or a person. The tactic they use is the

10 Now hard-hitting investigative journalist Sharyl Attkisson, the *New York Times* bestselling
11 author of *Stonewalled*, takes you behind the scenes of the modern smear machine, exploring how
12 operatives from corporations and both sides of the political aisle have manipulated a complicit
13 mainstream media to make disinformation, rumor, and dirty tricks defining traits of our
14 democracy. Pulling back the curtain on the shady world of opposition research, she reveals how
15 those in power create well-funded, organized attack campaigns to take down their enemies and
16 influence your opinions, offering a detailed examination of the think tanks, super PACs, LLCs,
17 and nonprofits that have become the hidden backers of some of the biggest smears in American
18 politics.

19 And she doesn't just tell stories—she names names, sharing her deeply researched account of
20 how smears take shape and who their perpetrators are—from Clinton confidant Sidney
21 Blumenthal to liberal political operative David Brock, who, along with his expansive *Media*
22 *Matters for America* empire, has been rewriting the rules of the smear game for decades while
23 raking in millions of dollars in generous compensation. In addition, Attkisson reveals outrageous
24 transactional journalism and exposes scandalous emails behind the smear industrial complex,
25 showing how Campaign 2016 became the exclamation point on the thirty-year evolution of the
26 smear machine. Dissecting the most divisive, partisan election in American history, she explores
27 how both sides used every smear tactic as a political weapon, culminating in Donald Trump's
28 hard-fought victory, even as his detractors have continued their smears against him into the Oval
Office.
